Subject: FW: For your review and discussion for next AE Policy call

Hi all,

I was wondering if you all could provide your thoughts to us on this doc in advance of the call (maybe by Tuesday, if possible) to help tee up issues for conversation. This is a large group to manage on a complex subject and I'd like to see where among the key program people we are in agreement or not on certain aspects. We can have an advance call as well if you want/are available.

Thanks so much in advance,
Holly
